TKB series helical - hypoid gear unit
TKM series helical - hypoid gear unit
}

TKM...

- 3. Neat design, compact structure.
- 4. Aluminium casting, light but strong.
- 5. Alloy steel gear, hard tooth surface, large in output torque and durable in use.
- 6. Suitable for all round installation, wide application and easy to use
 - a) The mounting dimensions of the TKM series are compatible with NMRV series worm gearbox
 - b) The mounting dimensions of the TKB are compatible with Bonfig W series worm gearbox

7.VERY COMPETITIVE PRICING!

Type	Stages	Ratios [i]	Motor size up to	Motor power up to	Torque Max [Nm]	Worm gear units type
TKM28B	2	7.73 ~ 58.36	90	1.5	140	TNRV050
